

Small group discipleship is not a program—it is an apprenticeship in the Christian life. Therefore, the aim is to create the best environment for apprenticeship to take place throughout all of the High School Years.

Small Groups:

- Provide an environment of trust and transparency so teens are known and loved
- Connect teens with caring, faithful adults who can apprentice them in the disciplines of a disciple
- Draw teens out of a peer-dominated paradigm and call them to maturity through relationships with adults
- Strengthen Catechesis through testimony, discussion, and faith sharing
