## MARCH 12 TO 16, 2017 - 7 PM EACH EVENING

### Angels in the Architecture

Mission : Angels and Devils – Father Jim Costigan, CPM

#### Persons, Not People

We know little about angels; they are pure spirits; they are God's servants and messengers; they go from God to us with His gifts, commands, and help, and from us to God with our worship, prayers, requests, and love

#### Michael, Raphael, and Gabriel

Michael is Protector and Defender of the People of God (Israel and the Church); Raphael is God's Matchmaker, and our Healer, and our Guide in this place of exile; Gabriel delivers God's most important messages to us

#### The Prince of This World

Lucifer to Satan; His titles : Evil One, Wolf, Father of Lies, Serpent, Dragon, Sifter, *Grappin*, Mad Dog, Ape of God, Murderer, Angel of Light; like his Enemy, he abhors a vacuum; he hates us and wants us damned

#### Demons

The tactics of Satan's troops against us : tempt, obsess, persuade, infest, possess, oppress, terrify; seducers, liars, and bullies, they work on us like their Boss, and like their Enemy : up close and personal

#### More than Bodyguards

Each one of us has an intimate friend from Heaven whose whole life and work is to guard us, guide us, help us, teach us, watch over us, and get us Home safely to our Father in Heaven; but am I close to my best friend ?
